## Disney Information

May 29<sup>th</sup> – June 3rd 2017 (Tentative)

UPDATED 8-14-16

Dear Band and Choir Parents,

Here is the first form you will need to fill out for the Disney trip. This form will give us a picture of the tickets you will need for the trip. Please fill in the areas that you need. The Total trip price per student will be approximately \$825. Parents can calculate family prices by requesting additional rooms and tickets. Student Rooms assume Quad Occupancy, but are limited to music students only by grade.

Please record the number of each item needed below. Fill one of these out for each person / family going. The list below does NOT include festival fees for students. This is the reason the total estimated cost is \$825. Every month next school year, I will send out statements showing your totals due. March 17<sup>th</sup> is a firm date for final payments made.

Parents staying late or coming early: Disney will give me a confirmation number in April. From there, you will call Disney to adjust your dates and tickets. You will only pay me for the three days we stay at the park. Essentially, our lower price becomes your deposit. Any adjustments to your stay will be adjusted by you and Disney. Parents are responsible for their own transportation. If room on the bus becomes available on the charter buses, we will announce this by March, 2017. You should request to be a Chaperone early, requiring a normal school background check through the central office. Students traveling with parents can subtract the charter fee as needed. One way will be half.

\_\_\_ April 15<sup>th</sup> - There may be a final payment due if the overall cost of the trip rises. Factors for this cost overage will be calculated based on transportation cost and fees required by Disney. We will announce this requirement before April 15<sup>th</sup> so you can plan ahead. Hopefully, there will be no additional costs. If so, this payment will be unnecessary Extra funds will be used for meal.

Students will get a \$150 Debit card for meals. Extra money may be necessary traveling to and from Florida. Students should plan on \$100 or so for extra expenses as desired.

Go to [www.bolivarmusic.org](http://www.bolivarmusic.org) to answer any questions that you may have regarding the trip. We will put a Disney Q&A section on the page and add questions and answers as the trip approaches. As well, we will have updated itineraries and medical forms as the trip approaches.
