This Stays with You at ALL TIMES

Meal cards will work at all parks (\$150 Total). Remember to use your money wisely. You need your own money on the way to Disney and on the way home (6th and 7th) for meals. Your money and tickets should never leave your person. Do not trust anyone with your valuables. You are responsible for all your stuff should it become lost or stolen. Tickets can be replaced if lost, but only if you have your serial number. Store your card numbers on your phone for this purpose in the form of an image. We do not have these numbers recorded. Disney does not associate your name to the card numbers. Only you can do this. Take a picture. If you wish, bring them to us and we will take the picture and record your name. Write your name on the ticket in the blank provided.
